\*Corresponding author

## Abstract

This discussion engages with the papers presented in the Connecting Socio-Economic Spheres in the Early Bronze Age Southern Levant afternoon sessions. The discussion will open with remarks from Prof. Rafi Greenberg and then move into a wider facilitated conversation about overarching themes, drawing connections between presentations and raising larger questions.

## Keywords

Early Bronze Age, Southern Levant, Food, Production

## Session

6. Life and death: Human behaviour and practices

## Workshop

A16075NH - Connecting Socio-Economic Spheres in the Early Bronze Age Southern Levant

## Type of paper

Oral presentation
